

**ECON 523: Program Evaluation for International Development**  
**Empirical Exercise 7**

Using the data set `ECON523-preschool-data.dta`, replicate Tables 2, 3, and 4 from the paper “Preprimary Education and Early Childhood Development: Evidence from Government Schools in Rural Kenya” by Pamela Jakiela, Owen Ozier, Lia C.H. Fernald, and Heather A. Knauer. Upload pdfs of your finished tables to gradescope, together with the do file that generates your tables.
